X1	DDS&T noted that the three OXCART's which are the candidates for any future deployment all flew yesterday and well. DDS&T will brief the JCS 13 September on the status of OXCART.					
25X1						
	DDP noted and commended plans to assign George Lodge and Henry Kissinger to Ambassador Lodge's staff in Saigon. The junior Lodge will concentrate on community development programs and Kissinger will study the subject of negotiations and the objectives of same.					
25X1						
25X1	DDP noted that Bundy at the 303 meeting today wants to discuss future press handling (See Action 7)					
	ACTIONS					
	l. DCI wants copies of the DDI memo on the NLFSVN so that he may make a personal distribution of these to SecState, McGeorge Bundy, and SecDef. (DDI in the course of the day)					
	2. DCI asked DDI to expedite arrangements for organizing consultant panels of soft science experts, to pursue this program aggressively, and to make periodic status reports. (DDI - 20 September)					
25X1 25X1 25X1	3. DCI directed that an appropriate map or chart be posted in the Conference Room.					
	4. In response to Bross' query about agenda suggestions for the forth coming PFIAB meeting, DCI requested preparation of a world situation review.					

He also directed that security checks and clearances be arranged for the new

25X1	members of the Board who should be invited to Headquarters a day or two prior to the meeting for security indoctrinations and general briefings. This can be arranged through Pat Coyne. DCI also asked that the work and results be added to the agenda and he urged all hands to provide Bross with their recommendations for other agenda topics. (D/DCI/NIPE in consultation with other components)
25X1	5. DCI asked that DDS&T expedite preparation of letters to establish a committee which is to include a solid propellant expert and which would be useful in analyzing Soviet efforts in man-to-the-moon programs as compared to Apollo, this assessment having been requested recently by Webb of NASA. (DDS&T 15 September)

7. DCI stated his view that it is essential that Agency officers not commit the Agency officially or represent official CIA views in dialogues with other agencies unless appropriate approval has been obtained from an appropriate level within the Agency. He asked the Executive Director to consider preparation of a CIA Directive to cover this.
